Dr. George Engelmann }
St Louis Mo. } Dear Sir

I have been working up a small
trade in collecting Native Species
of Plants for cultivation. There
seems to be some demand for
the Orchids, Liliums, Ferns &c.
yet but few dealers. or at least I
have not been able to find them
if there are, I could furnish Shrubs
Trees and such as well as the Herbac-
ious plants, could you give me the
names of any parties who deal
in our Native Flora, either
in this country or elsewhere
If you would I should appreciate
the kindness.

Yours most Truly
Edward Gillitt
